Dear General Yasser Kamal,

Dyna-Empire is the Original Equipment Manufacturer (OEM) of many T56 engine parts and components. We are also authorized exclusively to manufacture certain parts only for Rolls-Royce, the Engine OEM. Dyna-Empire's products include parts and components as:

- Design and Manufacture
- Thermocouples & Harnesses
- Pneumatic & Hydraulic Valve Assemblies
- Fuel Controls
- Extensive Cross Section of Machined Components
- Electronic Devices
- Sonar Equipment
- Applications- Air, Land, Sea

Dyna-Empire has had a long standing relationship with Dynatech International and with their track record of excellence; we have selected them to be our sole distributor for many of the T56 engine parts we manufacture per the attached list.

Dyna-Empire confirms our commitment to support Dynatech International on the EAF T56 engine delivery, repair, and support for items/spare parts program.

Together, Dynatech International and Dyna-Empire will provide exceptional support service to the EAF to ensure the success of this important program.

Sincerely,

G. Patrick McCarthy/CEO, director of sales  
Dyna-Empire, Inc.
